Prerequisites:

- Must be at least 17 years old by the time of check ride
- Must have the ability to obtain a 3rd Class FAA Medical
- Must be US Citizen or obtain TSA approval if a non-citizen
- No previous flight experience is required.

* The average customer will need more flight training than the FAA minimums. Additional time is billed at an hourly rate. Prices are subject to change without notice. Prices current as of February 2023. Please contact us to create a custom quote based on your current experience.

** Other Expenses - The headset listed is an entry-level headset; you may choose any model you like. These expenses are only estimates as many of the expenses are not charged or collected by the school.

The actual cost of the Private Pilot Course is a discussion you should have with any flight school. Many of our students will complete the Private Pilot Course near the FAA minimum but others need more experience to become safe and competent pilots. Our goal is your safety and success.
